PALASH K. KAMBLE

MERN STACK DEVELOPER

A dynamic and driven fresher with a robust educational background in Computer Science, culminating in a Master of Computer Applications (MCA) in 2024. Known for a strong academic record and a passion for leveraging cutting-edge technologies in web development. Proficient in the MERN stack, with hands-on experience in designing and developing responsive web applications. Committed to delivering high-quality solutions that align with organizational goals and enhance user experiences. Eager to bring my skills and enthusiasm to a dynamic team where I can contribute effectively and grow professionally.
